Soft tops. Convertibles. Cabriolets. Call them what you like, there's no better way to enjoy the Australian summer!

And that's why we're planning Australia's first ever festival for drivers of soft top vehicles.

This unique and exclusive event will celebrate soft tops and summer, with a vehicle expo, pop music, drive-in, countryside car tour, special awards and lots more!

And it's set to take place in the relaxed rural setting of Jindera, 15kms from Albury-Wodonga and close to the stunning Murray River.

So don't miss out! Secure your place today to enjoy a fantastic weekend experience with like-minded people!
